Re: Culebra dry river and creek beds

Dear Mr. Castillo:

This is to follow up on a letter sent to you on May 16th, 2008 regarding 404b violations around Culebra. We are looking forward to a response to our concerns. In addition to the concerns expressed in the letter sent two weeks ago, we also at this time are informing the Corps of wetlands being filled near town and also at Playa Mosquito.

Thank you very much for your prompt attention to these concerns. Looking forward to hearing from the Agency.

Sincerely,

Mary Ann Lucking
